

Mercy Works

An Education and Service Project

Nobody can do everything.
But everybody can do something.

Tuesday, May 2nd

7:00-8:00 PM

5201 Bishops Boulevard, Fargo, ND

All are welcome to join us for an educational and service event hosted by Catholic Charities North Dakota. Deacon Stuart Longtin and Fr. Duane Pribula will talk briefly about their experiences, and we will be joined by Gerri Leach, the Director of the local Jail Chaplains Association. Then we will create packages for adults transitioning back from prison to community life!

Participants should bring items to share for making interview and activity kits.

Even if you are not able to attend, you can donate items such as writing supplies, crossword puzzles, sudoku puzzles, playing cards, breath mints, socks, neckties, etc. Donation items can also be brought to Catholic Charities of North Dakota's Fargo office at 5201 Bishops Blvd. during normal business hours.

To RSVP, as space is limited, or for more information please contact us by calling 701-235-4457 or emailing info@catholiccharitiesnd.org.
