

What golfers are saying...

"The card paid for itself with just playing three courses. It is so much fun to have a group of us get cards and travel to new courses once a week." ~ Curt

"I used the Golf for Guardianship card and have played courses I otherwise wouldn't have played. I had never played Maple River. I found it a wonderful course and played it several times." ~ Richard

A special THANK YOU to all participating Golf Courses and Clubs for donating the free and discounted golf to help us raise funds for Golf for Guardianship.
