Brad, Jeanne,
and Caleb
Our Story...

We initially met in the fall of 1998 and were reintroduced a year later by mutual friends. After dating for three years, we married in October 2002. We have never looked back and love sharing our life together.
Our wedding was one of the happiest times of our lives. We had a wonderful time with our family and friends. When you marry your best friend, life is GREAT! We look forward to spending many more years together.
About Brad...

Brad is a supervisor for an oil company. Brad works part time at home, which gives him more time to spend with family. He loves watching and playing baseball. Brad enjoys being outside and spending time with family. Fishing is his favorite hobby. Brad likes woodworking and building things for the house.
Growing up, Jeanne lived and breathed horses and basketball. If she wasn't on a horse, she was shooting hoops. Jeanne loves reading, cooking, gardening, and quilting. She works from home doing transcription and web design. Her schedule is flexible and she plans to stay at home with the kids.
Caleb...

After years of infertility we were blessed with a miracle baby, Caleb, in 2015. We love having Caleb in our lives and cannot wait to grow our family through adoption.
Whether it's eating all the strawberries out of the garden, riding his pony, or just going for a walk down the road, Caleb is happy to be outside. He loves stacking his blocks as high as they can go. Music, tractors, and trucks are also on the list of his favorite things.
As a family, we enjoy taking the scenic route and visiting new places. We love to visit, parks, zoos, and other fun places that we can explore.
We love our local parks, but also enjoy cross-country trips. We have driven to Arizona, Vegas, and back home. We look forward to showing our children the joys of the scenic routes!
Brad's Family...

Brad comes from a family of five. He has an older brother and a younger brother. They all enjoy going fishing and camping and spending time together. Brad's parents love being grandparents and look forward to adding more grandkids to the family.
Jeanne's Family...

Jeanne is the youngest of five children in her family. Three of the siblings and her parents all live within ten miles of each other. Holidays are a time for large family gatherings, great food, and fun! Jeanne's parents live just a few miles down the road and love to spend time with their grandchildren.
Our Home...

We live on a small hobby farm on 30 acres. We love to garden and do landscaping in the yard. We always have a project going on it seems!
We have many trees throughout our pasture and hills that gives us a nice area for wildlife to stroll through. Sometimes we're lucky enough to catch them on camera.
Our Horses...

Animals are an important part of our life. The horses are Jeanne's project, but Brad and Caleb enjoy them too. Currently, we have three horses, two Quarter horses and a pony.
We enjoy spending time with the horses and Caleb loves to give kisses and take rides when he can. We are expecting a foal next spring and are looking forward to it! We like to raise a few foals every other year. We look forward to teaching our kids to ride and enjoy the horses as much as we do.
Our Dogs...

We have two dogs, Sam and Bella. Sam is an active, 11-year-old Border Collie. Bella is a fun, oversized 3-year-old German Shepherd.

Sam likes to play fetch over and over. She loves to try and 'help' with herding the horses. Sam is a shy, sweet dog who always tries to please others.
Bella wants to have all the balls or toys to herself and doesn’t like to share. She loves when we have new barn kittens and will "mother them" as if they are hers.
Brad's Hobbies...

Brad enjoys fishing and spending time on the boat. He looks forward to teaching his children how to fish, relax, and enjoy a nice boat ride.
Jeanne's Hobbies...

Jeanne loves to quilt and garden. She loves sharing the vegetables from the garden with family and friends. Jeanne makes jams, jellies, and freezes most of the produce to enjoy through the winter.
Thank you... 

Thank you, again, for taking the time to review our profile book. You will be in our thoughts and prayers as you make this decision for you and your baby. We are available and happy to answer any questions you may have.
In Summary...

We hope to provide your child with a great support system to live a wonderful life. We hope to teach him or her about the important things in life, to instill values, and to have faith in God. We want to raise him or her the simple way we were raised, yet provide an opportunity to explore the world, and give him or her the tools necessary to succeed.
