WELCOME TO OUR STORY!

Thanks for getting to know us!
A letter to you:

Our names are Joe and Trish. We hope as you look at our book you can see the love and devotion we have for each other and will have for your child. We value your decision to choose an adoption plan for your child.

As parents we plan to love, and provide a home that is safe and also fun and nurturing. We plan to make sure our child knows where and whom they come from. We believe in making sure our child knows their heritage, and cultural background. We also want to make sure they can know you, as we would like an open adoption.
We met online! We were married on June 14th, 2014 after dating and being engaged for almost three years. We fell in love with each other's sense of humor and fun personalities.
A little about Joe: He loves Batman, and all kinds of different super heroes. Joe loves watching all sports but his favorites are Baseball, Football, and Hockey. He once won a chance to ride in the REAL Bat Mobile! He also likes to snuggle with animals, here he is holding our cat Oscar.

ADVENTURE IS OUT THERE!
We enjoy getting to travel, and volunteer. We go to baseball and hockey games, and concerts. We like to take day drives to places like Lake Sacakawea and Medora to explore nature.
We are very involved in our church and the community. We help with our church youth group and teach church school. We like to support our local businesses and go to different events in town.
We own a house that is very close to schools and downtown. When it's nice outside we spend time in our backyard grilling, and having a fire to roast marshmallows. We have good neighbors and there are a few kids in the neighborhood.
Here we volunteered at Feed My Starving Children with our church youth group in St. Paul. We helped make food packs for people all over the world.
We love celebrating different holidays together such as Christmas, Easter, and Thanksgiving. We either go to Pennsylvania or stay in North Dakota for Christmas.
We went to Vegas and loved going through the M&M store.

We enjoy seeing new things, here we are at Como Zoo with a Giraffe.
Our favorite football team is the Greenbay Packers, and we once got to take a tour of the field!
We love our pets!
Copper and Oscar
We love our pets very much! Copper our dog is going to be 10 and we rescued him almost 4 years ago.

Oscar is our cat and we have had him since he was 5 and he is now 13! Both animals are very sweet and good with children.
Thank you so much for taking a look at our book, we hope it helped give you a good picture of our life. We love that you made the decision to make an adoption plan for your child.
THE END
