Dear birth parent,

As you begin your journey of choosing the adoptive parents to your child, we are grateful that you are considering us. Thank you for taking the time to get to know a little bit about us and our story.

Ryan & Sherri
We both grew up in North Dakota and met in college. Our love grew throughout our college years and we got married in 2004. In 2017, we welcomed our first child through adoption. We are so excited and grateful to expand our family through adoption again!
Ryan loves adventure and action! He is a natural at sports, is active in church activities, and likes to cook, have bonfires, and surprise Sherri every now and then with a coffee or flowers. He has a Masters in business administration and is an optician.
Sherri is fun-loving and caring. She likes to quilt, craft, and read. She is an occupational therapist and works at a local hospital.
Our Family

We adopted our son Rowan and he is the light of our life. Currently, he is two years old and busy! He loves to make us laugh, is thoughtful, and although we might be biased, is the smartest kid around!

Ryan is the oldest of 3 children. He has two younger sisters, Sara and Cami. Ryan is the Godfather to his two nieces. His parents are divorced but both live in our city. His mom is re-married and has ran a daycare for 40+ years. Family get-togethers involve his mom’s great cooking, playing games, and lots of laughing.

Sherri is an only child but both parents come from large families, so there are lots of cousins, aunts, and uncles. Family is very important and any time spent together is a good time. Sherri's mom is a great cook and crafter and is known for her lefse and crocheting. Sherri's dad is a nature lover, a history buff, and has an infectious laugh!

OUR PETS

We have two dogs and two cats. They each have their own personalities. They are a great source of entertainment!
Ava is full of energy and loves to get into mischief. She wants to be around people all the time and tolerates our toddler well!

Sammy is a social cat and loves to cuddle. She amazes us with her acrobatic talents. Spidey loves to sleep and is quirky. He likes to be up high and watch what is going on. He tolerates us humans, but would rather spend his time with Sammy.

Spirit is gentle and loyal. He loves to cuddle!
OUR HOBBIES

Mini golfing!
Sherri likes to quilt, sew, craft, read, and sing in the church choir. Ryan likes to golf, bowl, run, ice fish, and play soccer. Together we like to go to zoos, travel, play mini golf, and work on home projects.

Thank You

Thank you, Thank you, Thank you for considering us as parents. Words cannot describe how grateful we are. We know this is a big decision that one cannot take lightly, and we want you to know that we want the best for your child just as you want the best for them too. We know what a blessing adoption can be and are excited to grow our family through adoption.

Sincerely,
Ryan & Sherri
