

Trinity

Meet 14-year-old Trinity!

Trinity is outgoing, creative, and kind! Trinity enjoys being creative with drawing, singing, photography, and writing poems! Trinity enjoys writing poetry as a creative outlet as she feels as though she can express her thoughts and personality through poems. Trinity enjoys playing volleyball. Trinity loves Starbucks and her favorite drink is the pink drink. Trinity would describe her perfect day as sleeping in, going out to eat, and going shopping with her friends. In the future, Trinity wants to go to college to major in business and continue writing poetry. Trinity would like to own her own business and open a bakery where she can make fun, unique treats. Trinity hopes her adoptive home has pets and other children.

Trinity's team is recommending a one or two-parent household that is able to provide consistent structure and routine. Trinity's team is open to households with other children, although it is recommended for Trinity to be the oldest youth in the home. There are no concerns with pets in the home. Trinity's team is accepting inquiries from the midwest, although there is a preference for a family in North Dakota.
