

# JACE

## Introducing Jace!

Funny, empathetic, and kind-hearted are just a few great words to describe 14 year old Jace! Summer is right around the corner and Jace is excited to spend time outside playing basketball with friends, riding his bike, and going for walks. Jace likes to stay busy playing games, being outside, and spending time with his friends and caregivers. Additionally, he also enjoys relaxing at home by watching TV, playing video games like Fortnite, and playing card games. Jace enjoys being around people and can easily build relationships with people he trusts. Jace enjoys helping around the house by cleaning up his room and helping cook supper including pasta, pizza, and breakfast! Jace wants a family that will spend time with him doing activities and supporting him as he navigates through his teenage years!

Jace's team is looking for a two-parent or a single mom household. Jace would do best being the youngest or only child in the home. His team is accepting inquiries nationwide, although it is important for Jace to maintain familial connections in North Dakota.

If you have any questions regarding Jace, please contact McKenzie at [Inquiry@catholiccharitiesnd.org](mailto:Inquiry@catholiccharitiesnd.org). Don't forget to check out his Reel Hope video at [AASKND.org](http://AASKND.org).
