

Ashton

Meet 8-year-old Ashton!

Ashton can be described as caring, funny, energetic, and outgoing! Ashton enjoys playing board and card games, such Uno No Mercy and Guess Who. Some of Ashton's favorite activities include Legos, arts and crafts, and playing outside with his friends! Ashton's favorite art project is making origami hats and boats. Ashton's favorite season is summer as he enjoys playing basketball, riding his bike, jumping on the trampoline, and going to the waterpark! Ashton's favorite color is blue, his favorite food is cheese pizza, and his favorite superhero is Spiderman. Ashton's favorite type of ice cream is chocolate and loves anything with peanut butter! Ashton would prefer his adoptive family to have pets and other children in the home.

Ashton's custodial team is recommending a one or two-parent household that is able to provide consistent structure and has a good support system. There are no concerns with pets or other children in the home. Ashton's custodial team is currently accepting inquiries nationwide, although they prefer families who reside in the Midwest.
