

NIKALUS & TATUM

Meet Niklaus and Tatum!

Niklaus is a sweet, playful four-year-old with a silly sense of humor and plenty of energy for his next adventure. He enjoys playing outside, reading books, and creating art projects. When it is time to play, he can often be found racing toy cars, building with LEGO bricks, or setting up his trains. Niklaus is an animal lover and an enthusiastic eater who enjoys trying new foods. Paw Patrol, Scooby-Doo, and Spider-Man are a few of his favorites, and he enjoys spending time with the caring people in his life.

Three-year-old Tatum is sweet, cheerful, and always ready to stay busy. His big smile and playful personality shine when he is spending time with the supportive people around him. He loves Paw Patrol and enjoys playing with cars, dinosaurs, blocks, Magna-Tiles, and his toy barn and animals. Mealtime favorites include macaroni and cheese, peanut butter bread, fruit snacks, and tater tot hotdish. Tatum also loves music—especially “This Is Halloween,” which he enjoys singing from beginning to end!

Niklaus and Tatum are looking for a permanent family where they can grow together, feel supported, and continue building meaningful connections. Their team welcomes inquiries from families who can provide patience, consistency, nurturing care, and plenty of opportunities for play and learning. A family who has experience supporting children through life changes—or who is eager to learn—could be a wonderful fit for these active, engaging brothers. The team hopes to identify a family in North Dakota or the Midwest and will consider families elsewhere in the United States when the connection may be right.
