Timberlie likes to be outside spending her time going swimming, riding her bike, and jumping on the trampoline. Timberlie loves animals and her favorite animals are dogs and horses. Timberlie would love to have animals in her adoptive home. Timberlie's favorite class at school is math. Timberlie enjoys spending time with friends, taking walks, watching movies, and being outside! Timberlie loves to be social and has a great sense of humor as she enjoys making others laugh. In her adoptive home, Timberlie prefers to be the only child living in the home, as she thrives with one-on-one time and attention. Timberlie's team is accepting inquiries nationwide, although it is important for Timberlie's connections to be maintained in North Dakota.
