

BLAIZ

Meet Blaiz!

15-year-old Blaiz is creative, smart, and resilient! Blaiz's favorite subjects in school are science and math. Blaiz's favorite color is pink! Blaiz's favorite movies are Wall-E and the Mario Movie. Blaiz's favorite foods are raviolo, ramen, steak, crab, chicken nuggets, and mac and cheese. Blaiz wants to be a mechanic when he grows up. Blaiz enjoys spending time outdoors by going swimming, riding his bike, and spending time outside with his friends. Blaiz enjoys being active by playing baseball and pickleball. Blaiz is looking forward to the winter as he is excited to go sledding, snowboarding, and ice skating. In his free time, Blaiz enjoys reading, listening to music, and playing video games. Blaiz's favorite genres to read is anime and graphic novels. Blaiz's favorite series to read are Harry Potter and Dogman. Blaiz enjoys being creative as he likes to make his comic books and draw video games characters. Blaiz enjoys listening to pop and jazz music. One of Blaiz's secret talents is being able to solve a Rubix cube in under a minute! Blaiz likes to challenge himself by solving all the different types of Rubix cubes.

Blaiz's team recommends a one or two-parent household that can provide consistent structure and routine for him to thrive. There are no concerns with other children or pets in the home. Blaiz's team is open to accepting inquiries nationwide, although has a preference for families in North Dakota to help maintain important connections

If you are interested in learning more about Blaiz or have any questions, please contact Inquiry@catholiccharitiesnd.org. Be sure to watch Blaiz's Reel Hope video on the CCND website!
