John

Root Beer Float

Meet 14-year-old John!

John is energetic, kind, and social! John enjoys spending time with others. One of John's favorite restaurants is Culver's which his favorite thing to get is the cheese curds and root beer float! John's favorite subject in school is math. John's favorite games to play are garbage, Trouble, and Uno No Mercy. John's favorite movies are the Transformers series. John enjoys being outside spending his time going swimming and riding his electric scooter. In his free time, John enjoys building Legos, playing card games, and playing video games!

John's team is seeking a one or two-parent household that has flexibility within their routines and structure. John would do best in a home where he is the only child, or the oldest. It is recommended there are no pets in the home. The team is accepting inquiries nationwide, although has a preference for North Dakota or Minnesota families to help maintain and support John's connections.
